2024 Rookie & Free Agency Draft Details

(Subject to revision)

Feb. 1 (Thursday) 4 pm CT (Slack) 6:15 pm CT (Zoom) -- Complete Rounds 1 – 5

- Start Round 1 on Google docs/Slack at 4 pm CT. We'd allow 6 minutes per pick and the first round would conclude at 6 pm CT.
- Round 2 would then begin at 6:15 pm CT on Google docs/Slack but with an optional live Zoom (assuming extra time for compensatory picks and rest breaks). We'd begin the Zoom at 6:00 pm. Picks would be 3 minutes per slot, so round 2 would take 1 hour.
- Round 3 would begin at 7:30 pm CT (assuming extra time for compensatory picks and rest breaks) -- 3 minutes per slot.
- Round 4 would begin at 8:45 pm CT (assuming extra time for compensatory picks and rest breaks) -- 3 minutes per slot.
- Round 5 would begin at 10 pm CT -- 3 minutes per slot -- ending at 11 pm CT (GMs who want to sign off early could provide short list of picks to commissioner " in the blind" and their pick will be made when it is their turn).

NOTE: Updated Master DB will be released shortly after the last pick in Round 5.

REMINDER: Zoom is optional but it'd be great if everyone could get on for Round 2 just to say "hi" and build league camaraderie.
